9781740706728

australia then & now

Author: Jane Pearson
Imprint: Echidna
RRP: \$29.95

This delightful new series compares the everyday lives and familiar activities of Australians today with those of the past. Readers can compare people at work, home, school, and play via large photographs and text designed to focus their attention and direct their observations. Question boxes encourage children to make direct comparisons between the activities that they see in the books and their own experiences. Suitable for 5+ year olds.

africa: progress & problems

Author: Various
Imprint: Mason Crest
RRP: \$44.00

Africa is a complex and diverse continent, and its more than 50 countries provide a study in contrasts: democracy and despotism, immense wealth and crushing poverty, modernism and traditionalism, peaceful communities and raging civil wars. The books in this series take a close look at many of the major issues in Africa today, such as AIDS, poverty, government corruption, ethnic and religious tension and educational opportunities. Suitable for 14+ year olds.

behind the news

Author: Various
Imprint: Heinemann Library
RRP: \$37.95

News and issues such as the war on terror, human rights and climate change are reported in many different ways. This is because people have a range of different opinions about them. This series gets readers thinking about what is really going on **Behind the News**. Each book includes a range of primary sources and case studies, a variety of text types including persuasive, explanatory and questioning texts, and provides topical subjects that are ideal for classroom debates. Suitable for 13+ year olds.

classic story tellers

Author: Various
Imprint: Mitchell Lane
RRP: \$34.95

This new series details the lives of some of the beloved authors who have written popular books for children, young adults and adults alike. Each book highlights the history, culture, and economic times of the era in which the author lived. Find out what inspired such classic tales as "Charlotte's Web", "Stuart Little", "Call of the Wild", and "Of Mice and Men". Suitable for 10+ year olds.

dinosaurs: acorns

Author: Daniel Nunn
Imprint: Heinemann Library
RRP: \$19.95

This series combines the familiar "Acorn" format of simple text with fantastic images to create a set of high-interest reads on this ever-popular topic. Each title looks at a different dinosaur, with details of its features and characteristics and information as to how we have come to know so much about them. Each book contains wonderful images to capture the imagination of young readers, and levelled text to make this high interest subject accessible to those just beginning to read. Suitable for 4+ year olds.

fast track classics: elt edition w/- cd

Author: Pauline Francis

Imprint: Evans

RRP: \$16.50

A dramatically illustrated series of easy-to-read classics that are retold rather than abridged. These pacey, yet accessible texts will arouse interest in the original versions and other related stories. The accompanying CD makes these an ideal resource for English language teaching and also for students whose second language is English. Suitable for 10+ year olds.

global cities

Author: Various

Imprint: Evans

RRP: \$38.50

By 2007, the world will pass from being a mainly rural to a mainly urban population. Large cities, including mega cities with more than 10 million people, present key challenges relating to sustainable development and citizenship. Each title in this new geography series reveals reasons for the city's location and the structure of the population, and explores environmental issues such as transport, waste, pollution and wildlife, city economy, culture, leisure and tourism and looks to the future. Suitable for 13+ year olds.

good & bad

Author: Janine Amos

Imprint: Cherrytree

RRP: \$31.99

Good behaviour makes life pleasant for all of us. The six titles in this series show examples of good and bad behaviour in a variety of situations, illustrating the difference between the right and wrong way to behave and the consequences it can have on other people and their feelings. Children are encouraged to develop skills of negotiation and cooperation, to listen, and to resolve differences by looking at alternatives. Suitable for 5+ year olds.

monumental milestones

Author: Various
Imprint: Mitchell Lane
RRP: \$34.95

This series tells the stories of some of the most defining events in recent history. From the story of polar exploration to the dangers of the Cuban Missile Crisis, this series brings recent history to upper primary/lower secondary readers. Written for the not-so-enthusiastic reader, **Monumental Milestones** are jam packed with all the important information that students will need to do research and short reports. Each book is presented in a colourful format with a lively, easy-to-read narrative. Suitable for 10+ year olds.

9780431150802

wild weather

Author: C Chambers
Imprint: Heinemann Library
RRP: \$32.95

Explore the world of **Wild Weather**. Find out about the force of nature from the power of a hurricane to the scorching temperatures of a heatwave. Discover what causes weather to go wild, and how we react to the worst that nature can throw at us. Each book looks at what the phenomenon is, where and why it occurs and its effects, and emphasises that weather extremes have the same causes as weather that we experience every day. The books also examine how people defend their homes and adapt their lifestyle to cope. Suitable for 6+ year olds.
